

# Returning to work with TBI

EmployAbility's free Employment Program now includes tailored and accessible support for individuals with TBI.

Led by employment coaches with lived experience of disability, the program provides a supportive environment where participants can build job readiness, develop confidence and understand their transferable skills in a supportive environment.

## Our Pilot TBI Employment Program

### Grow your skills

Equip participants with the right knowledge & skills required.

### Build your Resume

Learn how to write a powerful resume to land the right role for you.

### Develop Confidence

Build your confidence & support your job search journey.

### Job Readiness

Guidance to return to work in a supportive and accessible way.

## Why Choose Us?

EmployAbility is a proud, independent nationwide charity, who firmly believes in creating a world where organisations can empower people with physical disabilities and TBI to thrive in the workplace. Or as we like to say; where *disability employment*, becomes just *employment*.

Our TBI Program Managers, Sam Clay and Carly McCleay have a wealth of experience in comprehensive rehabilitation to clients with TBI.

Our pilot program is now open to registrations, but places are strictly limited. If you have any questions or would like more information on our program, email [employability@scia.org.au](mailto:employability@scia.org.au) or visit [www.employability.org.au/tbi](http://www.employability.org.au/tbi) to register.
