THANK YOU TO EVENT SPONSOR:

[Regis Resources](#) Limited is a publicly listed ASX 200 company producing ~400,000 ounces of gold per annum from its 100% owned Duketon Operations in Western Australia and its 30% owned Tropicana Project in Western Australia. Regis Resources also has an exciting organic growth opportunity in the McPhillamys Gold Project in NSW which is forecast to produce 200koz per annum over a 10-year mine life.
